

City/County Website Announcements: THIRD FREDERICKSBURG RELIEF ROUTE STUDY WORKSHOP SCHEDULED FOR JANUARY 24th

We want to hear from you!

Join the City of Fredericksburg and Gillespie County, acting through the Gillespie County Relief Route Task Force, with support from the Texas Department of Transportation, for a public workshop to share information and receive community input about the Fredericksburg Relief Route Study. The potential route would relieve traffic and improve mobility in downtown Fredericksburg by giving people the option to travel around, rather than directly through, the city.

Presentations will be made hourly beginning at 2:00 p.m. Workshop attendees will have the opportunity to learn more about the Fredericksburg Relief Route Study and latest developments, view the current route options, and provide input. The goal of the Study is to identify a locally preferred option driven by community input. All interested parties are encouraged to attend the workshop and provide feedback.

WHEN: January 24, 2019

TIME: 2 p.m. to 7 p.m. (Come and go at your convenience.)

WHERE: Pioneer Museum Sanctuary (Gillespie County Historical Society), [312 W. San Antonio St., Fredericksburg, TX 78624](#)
