Re: Planned Zenner-Ahrens Rd Maintenance Notice

Please accept the following information for upcoming editions of the newspaper and on the Hill Country News.

Zenner-Ahrens Rd Notice due to Cattle Guard Repair and Replacement Projects – March 25 – April 5, 2024

In an effort to maintain and improve our county road system, different sections of the 3500 and 5000 Zenner-Ahrens Rd blocks will be closed to thru traffic between March 25 thru April 5 while cattle guard work is done, weather permitting.

Residents and visitors are encouraged to plan ahead and use the other end of the Zenner-Ahrens Rd for any necessary traveling. Passenger vehicles will be allowed to drive on the side of the work areas; however, heavy trucks and equipment will not be allowed.

We appreciate your patience and understanding in this work activity.

For more information or if you have any questions, please contact Gillespie County Precinct 2 County Commissioner Keith Kramer at 830-997-7503.

Sincerely,

Precinct 2 County Commissioner Keith Kramer
