

## VOTING BY MAIL?

Interested in voting by mail this election?

On July 27th, Governor Greg Abbott issued a proclamation that suspended a provision of the Election Code related to the time a voter may hand-deliver their voted ballot. What does this mean for our voters? Any voter who has requested a ballot to vote by mail may now hand-deliver their voted ballot to the Early Voting Clerks office ANYTIME after they have received their ballot. For this election only you do not have to wait until Election Day to drop off your voted ballot.

There are four ways to return your ballot.

- 1) You may walk your ballot in to the Elections office located at 102 E. San Antonio St, Suite C, Fredericksburg during normal business hours M – F, 9 am – 4 pm or during the same hours of Early Voting;

- 2) Our office has parking spots dedicated to voters wanting to drop-off their ballot. As you drive into our parking area, park in the spots (by the flagpole), please call our office at 830-997-6518. One of our office staff will come out to retrieve your ballot. You will be required to show a valid Voter ID as well as sign our in-person roster. If you wish to come inside you are more than welcome to. We want to make this process as easy as possible for our wonderful voters!
- 3) Place a first class stamp on your yellow envelope and mail your ballot.
- 4) You may use a contracted courier service such as FedEx, UPS, DHL, etc. and send your ballot to:
