Making Enrollment Changes Outside of Open Season

Outside of TRICARE Open Season, a beneficiary can enroll in or change enrollment to TRICARE Prime or TRICARE Select following a Qualifying Life Event (QLE). (A QLE is a certain change in your life, such as marriage, birth of a child, or retirement from active duty, which may mean different TRICARE health plans are available to you and your family members. A TRICARE QLE opens a 90-day period for you to make eligible enrollment changes. A QLE for one family member creates a chance for all eligible family members to make enrollment changes.
