

Want to Lower Utility Bills and Save Energy?

Free Low-Income Weatherization Program

Serving Atascosa, Bandera, Bexar, Comal, Frio, Gillespie, Guadalupe, Karnes, Kendall, Kerr, Medina and Wilson Counties

Complete and send in your application. We will send you a letter if we need more information, or when you've been approved.

An auditor will contact you to set up an appointment when your turn arrives. The auditor will complete reports to determine necessary work.

A contractor will be hired to do the work. The work will be inspected by a Certified Inspector when finished.

The most cost effective way to increase your home's energy efficiency is through weatherization.

Low income families spend much more of their income on utilities compared to higher income families.

Benefits of Weatherization

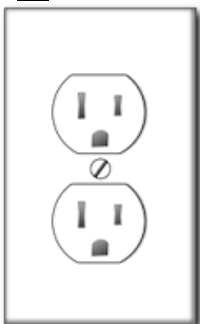

Reduces energy consumption and costs

Creates a healthier home with improved comfort

Free services for eligible households
