CALL TO ORDER

Chairman Jim Mulvihill called the meeting to order at 1:30 PM.

APPROVAL OF MINUTES

Minutes of the February 16, 2015 meeting were approved.

AIRPORT MANAGER'S REPORT

No new events were added and the CAF visit in September became firm.

The Military Bunch for Lunch program contains \$262.33.

Three items were approved by Commissioners Court, a T hangar lease, the RAMP Amendment for the GCO, and the TAMUS Lease of the vineyard in the business park was signed.

All County T hangars are leased.

NEW BUSINESS

A new fuel vendor for the FBO is coming on board in May and a sign will be erected adjacent to the daytime fuel truck parking. The size and location of the sign was coordinated with the Development Department of the City of Fredericksburg and the sign was deemed a directional sign. Annette Loth will come back once the sign is up and take a picture for their records.

The FAA Form 7460-1 for the sign construction was completed and filed with the FAA.

The TXDOT Aviation Conference will take place April 15-17.

## OLD BUSINESS

The preliminary engineering review of our CIP has been completed and a meeting scheduled for March 25<sup>th</sup> in the conference room with Klotz Associates and TXDOT.

The GCO functions fine as long as the procedures are followed by the users.

## REPORTS

The FBO indicates that the pilots have positive comments on the GCO. The Tyler avgas refinery is still closed and expecting to be back on line the first week of April. Avgas at the north ramp is selling for \$3.95. Fuel sales for the first two months of the calendar year are approximately the same as last year. The third FBO hangar is fully up and running with inquiries from business jet owners.

Tax receipts for both continue in their pace to outdo the previous years.

## COMMENTS

The next meeting will take place on April 20, 2015.

## ADJOURNMENT

The meeting was adjourned at 2:05 PM.
